\*Subject: \* Thank You to the NVVA

I just wanted to extend a thank you to the NVVA. I really appreciate the opportunity to represent such a great organization. It is a great honor to receive this scholarship and it will certainly help further my educational goals. Again, thank you to NVVA and all those men and women that served our country during the war. Applying for this scholarship and learning more about the war in Vietnam has truly shown me all the sacrifices those who served in the armed forces have given. I feel privileged to earn this scholarship.

Thank You, Thomas
