

Thank you for choosing me as one of the recipients of the Northland Vietnam Veterans Memorial Scholarship. It was an honor to receive this scholarship at the Vietnam Memorial in Duluth. Having my brother, Brock, and Keith there made the experience even more memorable.

I am eager to attend school at UMD this fall and gain more knowledge pertaining to my major, Communication Sciences and Disorders. I intend to continue my hard work, and I plan on being a good role model. Thanks again for blessing me with this scholarship!

Sincerely,
Chelsea Perkins
